Schedule

Premises Number	Building Number
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

With respect to the location(s) indicated in the Schedule, the following provisions apply.

This insurance does not apply to cosmetic loss or damage to roof coverings caused by the perils of windstorm or hail.

Cosmetic loss or damage means damage that alters the physical appearance of the roof coverings but does not result in damage that allows the penetration of water through the roof coverings or does not result in the failure of the roof coverings to perform their intended function to keep out the elements.

Unless otherwise excluded elsewhere in this policy, we do cover windstorm or hail damage to roof coverings that results in damage that allows the penetration of water through the roof coverings or that results in the failure of the roof coverings to perform their intended function to keep out the elements.

For the purpose of this endorsement, roof coverings refers to the shingles, tiles, cladding, metal or synthetic sheeting, metal components or similar materials covering the roof and includes all materials used in securing the roof surface and all materials applied to or under the roof surface for moisture protection, as well as roof flashing.
